Welcome!

Dear Delegate,

We are thrilled to extend our warmest invitation to you for the 14th UltraFest 2025, a prestigious medical conference focused on the theme "Knowledge Is Power". This year's conference will be held at Cidco Convention Center, Vashi, Navi Mumbai from 25th to 27th April 2025.

Building upon the success of the past 13 annual conferences organised by the Maharashtra State Branch of IRIA, UltraFest has firmly established itself as a premier gathering for radiologists seeking unparalleled academic excellence and valuable learning experiences. The conference has consistently received high praise from its attendees, and it has become the hallmark event of MSBIRIA.

Scientific discourse lies at the heart of this conference, and we have curated a program that showcases the expertise and vast experience of esteemed luminaries in the field of Radiology. Through detailed demonstrations, and engaging discussions, we aim to expand horizons even further and continue the legacy of excellence in ultrasound practices.

In addition to the enriching academic sessions, we understand the importance of providing a hospitable and comfortable environment for our delegates. Rest assured, we have meticulously planned a gastronomical bonanza that will delight your taste buds, while energizing entertainers will enhance your overall experience at the conference. There will be ample opportunities for you to socialize, reconnect with old friends, forge new connections, create lasting memories, and truly enjoy the conference.

Mumbai, known as the commercial and entertainment capital of India, offers a vibrant blend of culture, history, and modernity with superb connectivity.
